

# Press Release

18<sup>th</sup> September 2020 – For Immediate Release

## Mo.net 7.4.2

Software Alliance Limited ("SAL"), the developers of the award-winning Mo.net financial modelling platform, today announces the release of Mo.net 7.4.2

The release includes enhancements and improvements primarily focused on:

- Enhanced mapping and improved logging for Origo requests
- Quotations audit functionality increased for 64-bit packages
- Enhancements for recording results to a data warehouse
- Improved feedback for Command Line Interface Compiler
- Improved handling of search results
- Functionality added to handle array Columns

"We are confident that the enhanced performance features within Mo.net 7.4.2 will streamline our client's modelling capabilities and maximise flexibility and control" stated Su Berry, the Director of Business Development for Software Alliance.
