

# Press Release

20<sup>th</sup> November 2020 – For Immediate Release

## Mo.net 7.4.3

Software Alliance Limited ("SAL"), the developers of the award-winning Mo.net financial modelling platform, today announces the release of Mo.net 7.4.3

The release includes enhancements and improvements primarily focused on:

- Refinements to enable more granular feedback of run progress items
- Addition of functionality to upload user documentation to projects
- Enhancement to include company name and logo within a project
- Various updates to the Application help
- Enhancements to and addition of permissions for Operational Modelling Centre

"We are confident that the new enhancements within Mo.net 7.4.3 will improve our client's modelling capabilities and maximise flexibility and control" stated Su Berry, the Director of Business Development for Software Alliance.
